

CHRISTINE WHITNEY MILLER

Associate Professor
Entomology and Nematology Department
University of Florida, Gainesville, FL 32611

Email: cwmiller@ufl.edu
Website: <http://www.millerlab.net>

ACADEMIC POSITIONS

2017 – Present	Associate Professor, Entomology and Nematology Department, University of Florida
Easter Term 2018	Visiting Fellow of Sidney Sussex College, Dept. of Zoology, University of Cambridge
2011 – 2017	Assistant Professor, Entomology and Nematology Department, University of Florida
2007 – 2011	Assistant Research Scientist, University of Florida

EDUCATION

The University of Montana – Missoula

Ph.D., Organismal Biology and Ecology, 2007. Advisor: Dr. Douglas J. Emlen.

Wesleyan University, Middletown, CT

B.A. Biology, 1998.

HONORS, FELLOWSHIPS, GRANTS, and AWARDS

UF Term Professorship Award, 2017-2020; again 2020-2023. \$15,000 each term, total \$30,000. Award to recognize and reward UF faculty for outstanding accomplishments.

University of Florida, College of Agriculture and Life Sciences Undergraduate Teacher of the Year Award, 2018.

National Award, USDA Agriculture and Food Sciences Excellence in Teaching, “New Teacher” category. \$2000. Awarded at a ceremony in Washington D.C., November 2017.

UF Internationalizing the Curriculum Grant, \$5000, support to bring in international course content and active learning activities as part of the Learning Without Borders initiative at UF.

UF Interdisciplinary Research on Invasive Species Seed Grant, 2018-2019, \$64,500.

National Science Foundation CAREER Award, Behavioral Systems Program, \$822,000. Feb. 2016 – Jan. 2022. “CAREER: Fighting behavior, performance, and the evolution of shape” PI: Christine W. Miller

United States Department of Agriculture, NIFA, Women and Minorities in Science, Technology, Engineering, and Mathematics Fields Program (WAMS), \$90,000. September 2016-August 2018.

“Increasing student diversity in food and agriculture-related STEM disciplines through undergraduate classroom-based research experiences” PI: Adam Dale, Co-PIs: Christine Miller & Anne Donnelly.

National Institutes of Health, Maximizing Access to Research Careers (MARC) U-STAR Program, \$2,350,594. September 2016-August 2021. “GatorSTAR: A New MARC U*STAR Program at the University of Florida.” PI: David Julian, Co-PIs: Christine Miller, Ryan Duffy, & David Miller.

UF International Center, Global Fellow Award 2016, \$4000; **UF International Center, Faculty Development Grant 2015**, \$5000

UF Excellence Award for Assistant Professors 2014, \$5000

HHMI-UF Science for Life Distinguished Mentor Award 2013, \$10,000. Award for excellence in mentoring undergraduate researchers.

UF/IFAS Early-Career Seed Grant 2013, \$55,000. Title: Social networks in a pest, the squash bug.

UF Faculty Enhancement Opportunity Program 2013, \$5,317.

National Science Foundation, Behavioral Systems Program, \$325,394. September 2009 – September 2013. “Selection in heterogeneous environments: a multi-trait perspective” PI: Christine W. Miller.

National Evolutionary Synthesis Center (NESCent) Postdoctoral Fellowship, 2007-2009 (I declined).

Smithsonian Tropical Research Institute, Short Term Fellowship, \$1000, 2005; Ernst Mayr Fellowship, \$4850, 2004; Research Award, \$1138, 2004; Graduate Student Fellowship, \$3700, 2003.

NSF Graduate Research Fellowship Program, \$121,500. 2003-2006.

PEER-REVIEWED PUBLICATIONS

1. Woodman TE, Chen S, Emberts Z, Wilner D, Federle W & Miller CW (2021). Developmental nutrition affects the structural integrity of a sexually selected weapon. *Integrative and Comparative Biology*. 61: 723-735.

COURSES TAUGHT

Advanced Evolutionary Theory, Graduate course, University of Florida, Spring 2022.

Principles of Entomology, Undergraduate/Graduate Course & Laboratory, 2008- present.

Insect Research and Scientific Engagement, Course-based Undergraduate Research Experience (CURE), 2012-2019.

Animal Weapons, Graduate seminar, Fall 2015

Critical Analysis, Graduate seminar, Fall 2014

Behavioral Plasticity and Evolution, Graduate seminar, Spring 2012

Sexual selection, Graduate seminar, Spring 2008

Advances in Evolution, University of Montana, Fall 2006

LEADERSHIP TRAINING & EXPERIENCE

College of Agriculture and Life Sciences Faculty Mentor Academy Co-Facilitator, Spring 2022. Provide mentor training for 20 new faculty members at the University of Florida.

Trained Facilitator for *Entering Mentoring Curriculum*, Provided by the Center for the Improvement of Mentored Experiences in Research (**CIMER**) Madison, WI. 2021.

LEAD IFAS, Year-long leadership training, University of Florida/IFAS. 2019.

Co-Director. University of Florida Campus Initiative to initiate 20 new Course-based Undergraduate Research Experience (CURE) across the university.

UF CALS Teacher's College, Trainee, Fall 2008

MENTORING through RESEARCH

Eleven graduate students advised: Wendy Helmey-Hartman, Pablo Allen, Ummat Somjee, Daniel Sasson (major advisor: Jane Brockmann), Lauren Cirino, Paul Joseph, Zach Emberts (co-advised with Colette St. Mary), Daniela Wilner, Sam Zlotnik, James Boothroyd, Steven Smit

Six Visiting International Students: Tamsin Woodman (University of Manchester, 2020), Duncan Procter (University of Exeter, 2010), Grant McDonald (Oxford University, 2010), Katherine Short (University

of Exeter, 2011), Iain Gordon (University of Exeter, 2011), Aitor Alvarez-Fernandez (Oxford University, 2011)

Undergraduate Mentor and Recipient of 2013 Howard Hughes Medical Institute Distinguished Mentor Award. Together with my graduate students and postdocs, I have mentored over 160 undergraduates in my laboratory in the past fourteen years. Students have authored seventeen peer-reviewed publications, presented at twenty-five local and national meetings (e.g. Animal Behavior, Society for Integrative and Comparative Biology, Evolution, and Entomological Society of America), won local and national awards (e.g. Three Animal Behavior Society Turner Awards, UF Best Undergraduate Paper Award). I have hosted ten UF University Scholars' Program students, two HHMI Science for Life students, and five College of Agriculture and Life Sciences internship students. In addition, I brought Classroom Undergraduate Research Experience (CURE) courses to UF undergraduates, leading to teaching publications and awards.

INVITED SEMINARS

University of Texas-Austin. Integrative Biology, 2021.
University of Oklahoma. Department of Biology, 2020.
University of Illinois. Entomology Department, 2020.
University of Cambridge, U.K. Department of Zoology, 2018.
University of Saint Andrews, U.K. School of Biology, 2018.
University of Minnesota, Department of Ecology, Evolution and Behavior, 2014.
University of Kentucky Symposium in Ecology, Evolution and Behavior. Keynote, 2014.
University of South Florida, Department of Biology, 2012.
University of Central Florida, Department of Biology, 2011.
University of Missouri, Evolution and Ecology Seminar Series, 2010.
University of Florida, Department of Biology, 2007, 2013.
Montana State University, Entomology Program, 2006.
Smithsonian Tropical Research Institute, Tupper Seminar Series, 2004.

SYMPOSIUM TALKS

University of Florida, Fusing Research and Teaching Symposium. Featured speaker on bringing authentic research into the classroom. 2017.
University of Florida, CALS Teaching Enhancement Symposium 2017, 2016, 2013, 2012 (six presentations total). Gainesville, FL. Invited presentations and workshops on best practices in graduate mentoring, undergraduate classroom instruction, and undergraduate mentoring.
Behaviour 2015, Cairns, Australia. Invited Symposium Speaker, 2015.
Entomological Society of America Annual Meeting, Invited Symposium Speaker, 2015.
University of Florida, Center for Undergraduate Research, Integrating Research Workshop. Featured speaker on bringing authentic research into the classroom. 2015.
University of Florida, Tropical Connections: Career Development Workshop for Post-Doctoral and Senior Graduate Scientists, Featured Speaker. 2015.
Winter Animal Behavior Conference 2014, 2013, 2010, 2009. Steamboat Springs, CO. Invited Speaker.
Entomological Society of America Annual Meeting, Invited Symposium Speaker, 2010.
Gordon Conference – Genes and Behavior, Italy. Invited “Data blitz” Speaker, 2008.

MEMBERSHIP in PROFESSIONAL SOCIETIES

Society for the Study of Evolution	American Society of Naturalists
Entomological Society of America	Animal Behavior Society
European Society for Evolutionary Biology	British Ecological Society

SERVICE to SCIENTIFIC COMMUNITY

2021 – Present	Associate Editor and Editorial Board Member for <i>Proceedings of the Royal Society: B</i> .
2016 – 2020	Associate Editor and Editorial Board Member for <i>Functional Ecology</i>
2010, 2012, 2015, 2017	Service on panels at the National Science Foundation, Washington D.C.
2011 – 2016	Editorial Board Member and Reviewing Editor for the <i>Journal of Evolutionary Biology</i>
2010 – Present	Ad hoc grant proposal reviewer for the National Science Foundation

SERVICE to UNIVERSITY

2017-present	Reviewer , College of Agriculture and Life Sciences Annual Teaching & Advising Awards Committee.
2017	Panelist and Reviewer , Global Fellows Program, Office for Global Research Engagement, University of Florida International Center.
2017	Graduate Curriculum Revision Committee , Entomology & Nematology Department, University of Florida
2017	Research Retreat Committee , Entomology & Nematology Department, University of Florida
2015 – 2017	Long-Range Strategic Planning Committee for Undergraduate Research , University of Florida Center for Undergraduate Research.
2015 – 2017	Scholarship & Leadership Awards Committee , University of Florida, College of Agriculture and Life Sciences
2007 – Present	Graduate Committee Member for 26 graduate students
2012 – 2014	Graduate Admissions Committee , University of Florida, Entomology and Nematology Department.
2012 – 2014	Administrative Committee , University of Florida, Entomology and Nematology Department.
2009 – 2014	Seminar Committee Director . Organized the University of Florida Entomology and Nematology Departmental Seminar Series and mentored students in professional development.
	Manuscript Reviewer for multiple journals including: <i>Evolution</i> ; <i>Evolutionary Ecology</i> ; <i>Nature Communications</i> ; <i>Biology Letters</i> ; <i>Animal Behaviour</i> ; and <i>American Naturalist</i> .
	Session Moderator , Behaviour 2015 (3 sessions), Society for Integrative and Comparative Biology 2011, Evolution Annual Meeting 2005.

MAJOR OUTREACH EVENTS and MEDIA ATTENTION

- 2017 NSF Research Feature: https://www.youtube.com/watch?time_continue=9&v=mFLn20j4kYo
- Bug Week featured topic “Insect Weapons” with accompanying blog post and insect weapon coloring book.
- Interviewed by RFD-TV in Nashville, TN for the Market Day Report and Live Agriculture News. It airs in 50M homes via A.M. radio and SiriusXM 147.
- My teaching program was featured in the November 15th edition of the AgriPulse newsletter
- 2016 Florida Museum’s Science Café program, “The Amazing World of Insect Combat and Courtship”. Public lecture to 87 participants from the local community.

Updated October 2021
